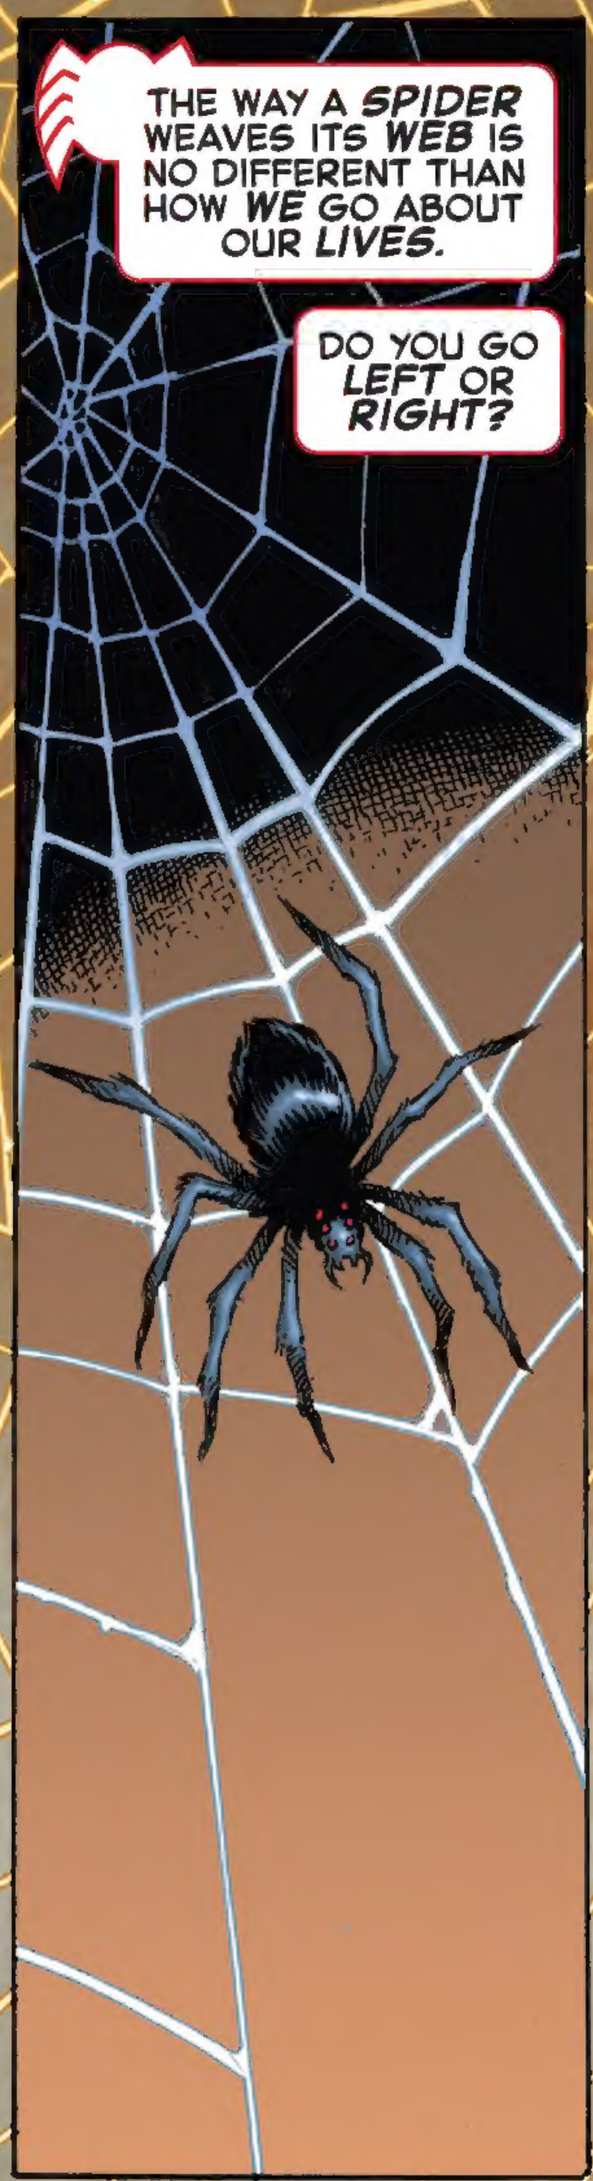
SPIDER-MAN

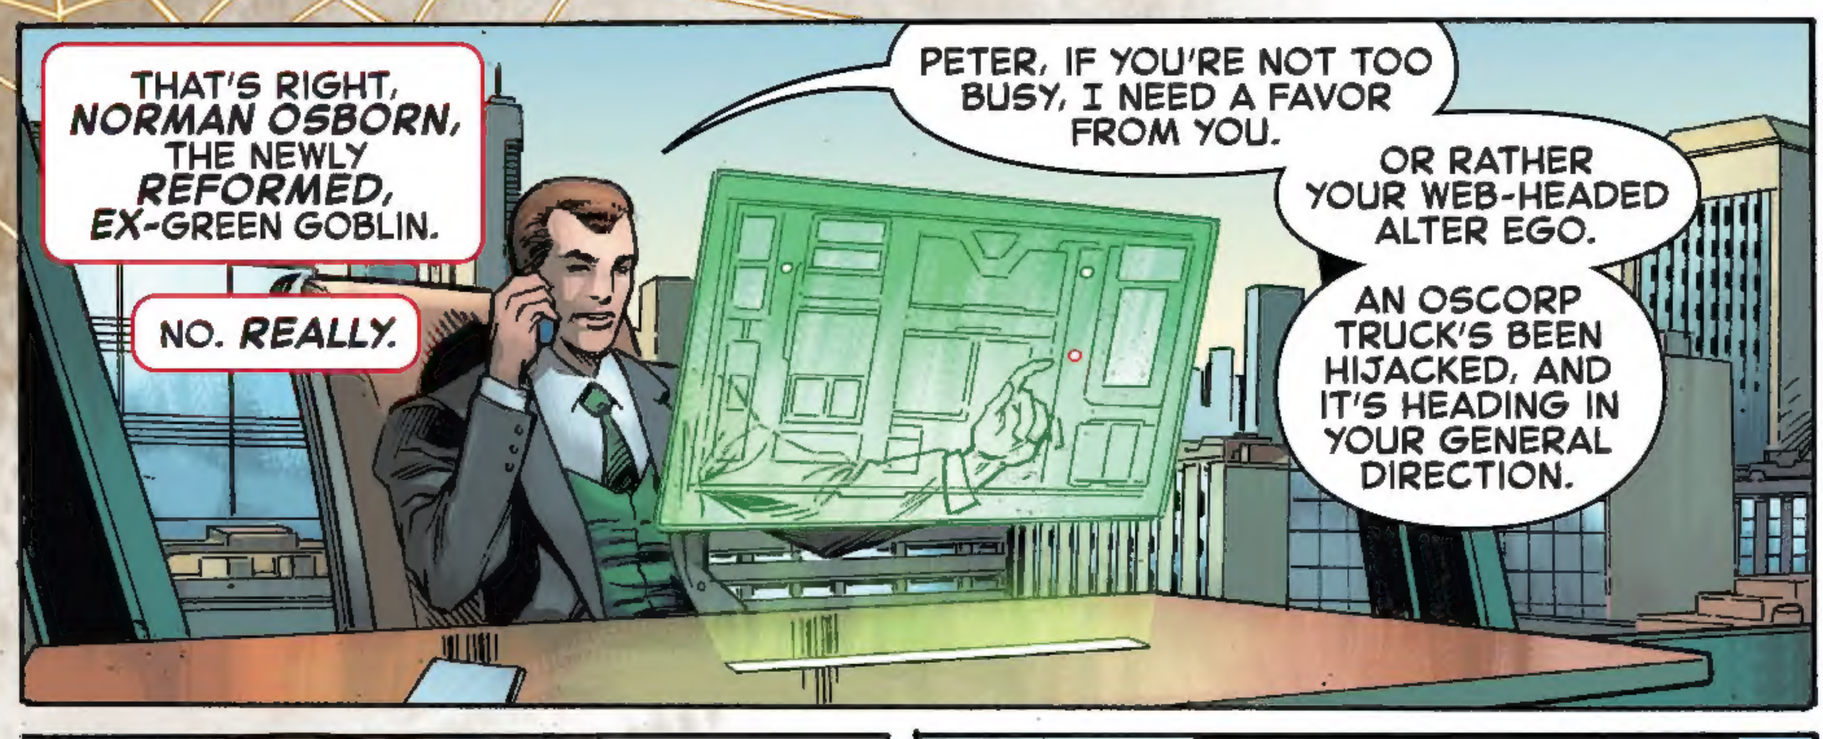


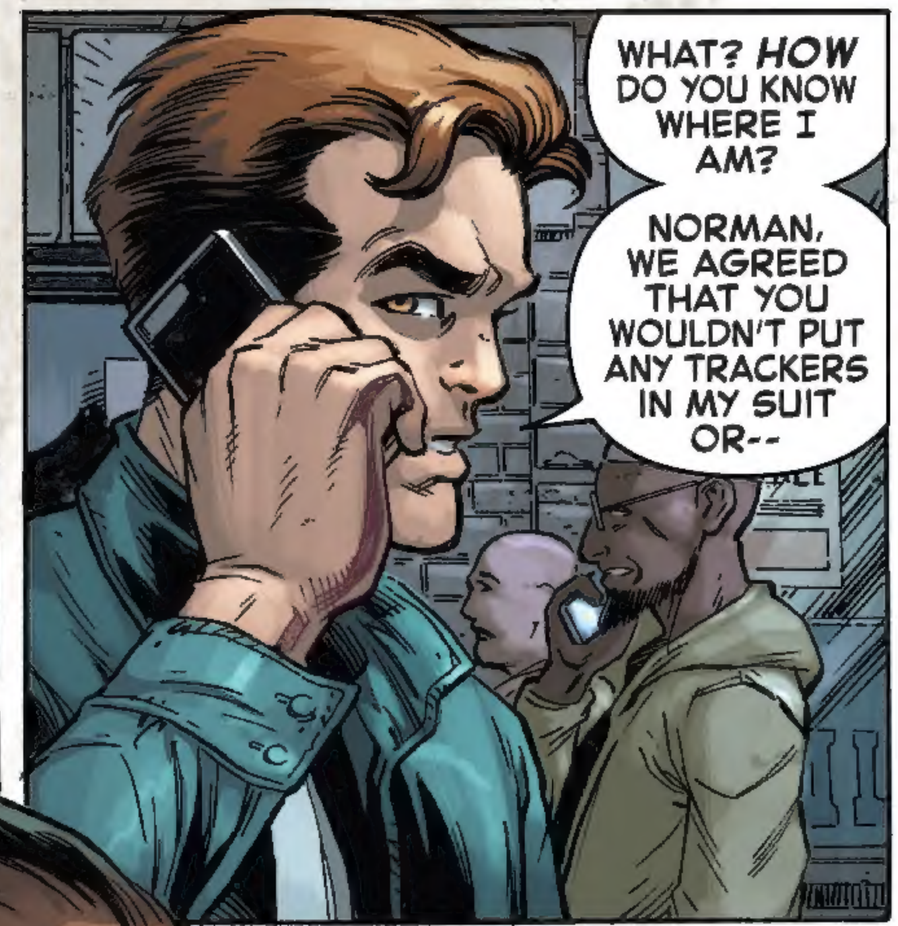
ALL I EVER PLANNED ON WAS BEING PLAIN OLD PETER PARKER.

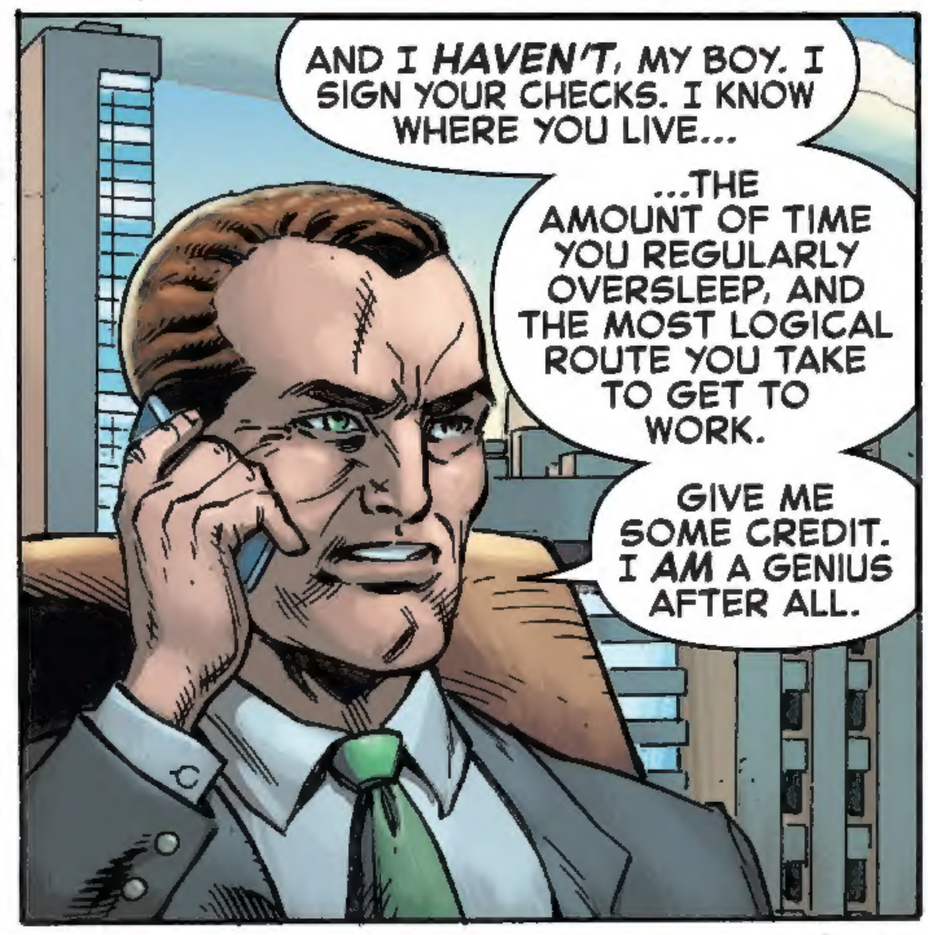
I NEVER ASKED TO BE SPIDER-MAN.

IT JUST HAPPENED.

SO ALL I CAN DO IS TRY TO MAKE THE RIGHT CHOICES, NO MATTER HOW MANY WEIRD PLACES THEY TAKE ME.







SO IF YOU COULD SUIT UP AND RETRIEVE MY STOLEN EQUIPMENT, THAT'D BE A BIG HELP.

THANKS, PARKER. BYE.

I WILL NEVER GET USED TO THAT.

HEY THERE, WEB-HEADS!

Spider-Editor Nick Lowe here! Welcome to our first adjective-less SPIDER-MAN book in years! Just in case you bought this because you saw the incredible cover and big #1, let me tell you a little bit about what you have in your hands.

First, the folks at the helm are two of the greatest Spider-Creators of all time! **Mark Bagley** has drawn more Spider-Man than any other human being ever. The fact that so many of his Spidey comics have also been classics is a testament to how good he is at his job. **Dan Slott** wrote more issues of AMAZING SPIDER-MAN than any human being and wrote some of the best Spidey stories ever like the Superior Spider-Man saga, "There For You," "No One Dies," "Go Down Swinging," and "Spider-Verse." Having a hall of fame rest of the team in inker **John Dell**, colorist **Edgar Delgado**, and letterer **Joe Caramagna**…it doesn't really get better than this.

Second, the last Dan Slott story we mentioned ("Spider-Verse") paved the way for one of the best movies of all time (*Spider-Man: Into the Spider-Verse*) and spawned several miniseries and a sense-shattering sequel called SPIDER-GEDDON! But none of these ended the story that Dan (along with **Olivier Coipel** and **Giuseppe Camuncoli**) started with "Spider-Verse." Dan and I had talked over the years about doing that conclusive chapter and HERE WE ARE!!! You are in for some of the craziest Spider-Action and drama ever set to paper in these pages. You won't believe where this goes and what we do.

Third, if you missed EDGE OF SPIDER-VERSE, the miniseries leading up to this bonkers story, do yourself a favor and pick it up. Not only is it awesome, but it also sets up some characters you're going to see coming up very soon. You don't NEED to have read it, of course, but you also don't NEED to eat at Shake Shack. Know what I mean?

Anyway, there are other comics that need making, and I'm out of time here. See you all next issue!

Keep Thwippin',
